

Reviva Refit Celebrates the Relaunch of M/Y Zima

BY MENGİ YAY

A Harmony of Tradition and Modern Luxury

Reviva Refit is thrilled to unveil the newly enhanced M/Y Zima, a testament to our unwavering commitment to excellence in yacht refurbishment. Constructed by Mengi Yay in 2023, this 23.12-meter motor yacht has undergone a comprehensive three-month refit at our esteemed facilities, blending traditional craftsmanship with contemporary luxury.

Strategic Enhancements for Superior Comfort and Style

M/Y Zima's refit focused on both aesthetic enhancements and functional upgrades to ensure it meets the modern yachtsman's needs. Notable improvements include the installation of a new jacuzzi in the bow area, perfect for relaxation and entertainment. The yacht's appeal is further enhanced by an increased number of underwater lights, adding a striking visual element that makes the Zima stand out, even in the most crowded marinas.

Elevating Interior Mechanics for Optimal Functionality

The interior of the Zima received special attention, particularly the door mechanisms, which were upgraded to improve ease of use and durability. This subtle yet crucial modification ensures a seamless experience for guests aboard, highlighting Reviva Refit's attention to every detail that enhances onboard living.

Specifications and Design

- **Length Overall (LOA):** 23.12m
- **Beam (B):** 5.85m
- **Draft (D):** 1.64m
- **Displacement:** 60 T
- **Builder:** Mengi Yay

The refit and restoration of M/Y Zima not only enhance its functionality and aesthetic appeal but also prepare it for the demands of contemporary seafaring. This project underscores Mengi Yay's expertise in marrying traditional building techniques with cutting-edge design and technology.

Ready for a New Horizon

As M/Y Zima sets sail once again, it does so as a beacon of refined craftsmanship and modern luxury. Its readiness for a new season of sailing is a proud moment for Reviva Refit, as we continue to push the boundaries of what is possible in yacht refurbishment. Each project we undertake is a step towards redefining the maritime experience, ensuring every yacht that leaves our hands is not only ready to face the seas but also exquisitely equipped to provide an unparalleled journey.
